

The Honorable Michael K. Powell
Chairman

Dear Chairman Powell:

As a customer of DIRECTV, I am writing to urge you to support the pending merger of EchoStar and HUGHES, the parent company of DIRECTV. I believe the merger will increase video and broadband choices for consumers like me.

The combined company will be a much stronger competitor to cable operators by being able to offer me a substantial number of local TV channels via satellite in my market area.

I currently have broadband access to the Internet, but the combination of EchoStar and HUGHES will result in increased competition in the broadband market by providing an affordable high-speed Internet service nationwide via satellite.

In addition, I am interested in HDTV and with both companies merging...It would provide more HDTV Programming for everyone.

I appreciate your consideration of my views.

Sincerely,

Scott Oakley
